The **WARN GROUP** is giving away an all expense paid opportunity to jump in a JEEP and traverse the Rubicon Trail in California July 11th thru 14th with JEEP Jamboree 2024 and THE WARN GROUP. It's one winner plus one, a Warn Group rep, and a Keystone rep in the provided vehicle. You will be treated to camping and all meals on the trail. The no doubt good times are included as well.

As a part of the WARN GROUP Giveaway there will be a drawing held on the 15th of each of the four months of the promotion. A single winner for each drawing will win a TRAEGER grill just in time for summer.

The big drawing will be the week of June 17 where four finalists will be drawn to receive a trip to a WARN GROUP facility for tours and hospitality (schedule TBD). And one big prize winner will be drawn for the RUBICON TRAIL RIDE EXPERIENCE / JEEP JAMBOREE event.

So it's simple, for every \$2500 in WARN GROUP product purchases made through Keystone during the promo dates, you will receive a drawing entry. Great products. Great brands. And great opportunities to win!
