

2020-23 GM 2500/3500 4WD 4" LIFT KITS

Fabtech's world renowned IFS suspension design provides excellent drive ability both on and offroad. Zero bump steer throughout the suspension cycle and near stock turning radius make this system the top choice for HD owners looking to run 35" tall tires. Shock options include Performance, Stealth or Dirt Logic.

All systems come with a Free 5 year 60,000 mile Powertrain Warranty.
